

PUBLIC NOTICE

The applicant is Teksid Aluminum Foundry, Inc. with a mailing address of 1635 Old Columbia Road, Dickson, TN 37055. They seek to obtain an air contaminant permit (Division identification number 22-0072-41 / 58779) for modification of their two existing Natural Gas Fired Melting Hearth Furnaces #151 and #152 located at **1635 Old Columbia Road, Dickson, TN 37055**. The requested modification would allow both furnaces to be operated simultaneously. Mr. Younes Aleali is the assigned Division person.
